Re: Welcome Alamance Caswell Medicaid Providers to PBH Provider Network

PBH welcomes Alamance Caswell Medicaid Providers to our Provider Network.

Prior to submitting claims to PBH for dates of service October 1, 2011 forward, please review the PBH Rate Tables located on the PBH website www.pbhsolutions.org. The Rate Tables are listed in the “Finance” section. Please ensure that all billing indicates PBH reimbursement rates. If billing rates submitted are lower than the PBH rate, reimbursement will be at the lower rate.

The “Finance” section of the website also contains the PBH Checkwrite Schedule and other helpful information.

If you have questions, please contact the Network Operations Department – Alamance Caswell at 336-513-4200.
