**Date:** January 30, 2012  
**To:** PBH Network Providers—OPC County Catchment Area  
**From:** Nicole P. McKinney, PhD, LPC

**RE:** Provider Enrollment Application Deadline – Expansion MOA Initiative

This communication has been generated to provider agencies serving consumers in the OPC catchment who previously received a PBH Memorandum of Agreement (MOA) which stipulates terms of agreement in the interim of processing provider enrollment applications and contracts. Please note that PBH is extending the requirement that it must receive a provider’s enrollment application by February 29, 2012 to April 30, 2012 and waiving the requirement that the application be received before the MOA will take effect. As such, the MOA will be effective upon the date of execution by all parties, and remain in effect until the day PBH makes its decision whether or not to contract with a Provider. If you have been issued an executed contract, please disregard this communication which does not apply in this instance.

Thank you for your attention to this matter. We look forward to having you in the PBH Provider Network. Should you have further inquiries regarding the provider enrollment process, please contact one of our contract specialists below:
